How to add POE camera to Blue Iris

1. Use “Http” and find camera within Lan
2. Use RTSP to add

RTSP data for poe camera as below:

MAIN: rtsp://<IP>:554/11
VICE : rtsp://<IP>:554/12
Phone: rtsp://<IP>:554/13

Just need to choose RTSP, and then input RTSP data, then click OK
